NOVA SCOTIA FIRE INSURANCE CO.

A Strong Canadian Company

J. A IRVINE - General Agent

SECURITY IS SUFFICIENT BECAUSE:

1. **Good Faith** is a recognized first principle.
2. **Careful Underwriting** is practised.
3. **The guage** under which obligations (their size, extent and nature) are assumed is the company's paid-in capital plus net surplus---whereas, beyond these is Capital subject to call held by some of Nova Scotia's leading business men.
4. **The strongest of reinsurance backing** is used freely (even at heavy cost apparently) to reduce large amounts at risk and avoid conflagration hazard. Companies reinsuring "Nova-Scotia Fire" represent funds totalling over \$50,000,000.00.
